## ON-SITE ANIMAL HOSPITAL

We understand how important it is to have peace of mind while leaving your furry family member when you travel. Our on-site **AAHA Accredited Animal Hospital** is located under the same roof. Even if we are not your pet's primary animal hospital, we are here in case of any unforeseen circumstances. Our Animal Hospital team is dedicated to caring for pets and are only steps away if there is any reason your pet requires medical attention.

### HOSPITAL HOURS:

**Monday - Friday:** 8:30am to 6:00pm | **Saturday:** 8:30am to 2:00pm | **Sundays:** CLOSED

## CAT BOARDING

Our feline guests have an entirely separate boarding area with accommodations designed for their comfort. Our Kitty Cabins were strategically placed in front of a bay window so our feline guests can watch the action going on outside. We also have a "Kitty Playroom" for our cats to enjoy. Our feline guests take turns using throughout the day in the playroom to stretch, climb, and play with all the fun toys. The kitty playroom can be seen from our reception area which allows our feline guests to show-off their best moves to the clients watching them through the window.

As for our kitty cabins, our options range from single, double, to triple accommodations. Please note there may be restrictions for booking doubles and triples during major holidays and peak months. If your cat requires a larger space for boarding, there is an option of boarding in a V.I.P. suite that is a secluded room with no outdoor access or doggy door. This would be one of the options for larger space that would still be safe for our feline guests.

## RESORT HOURS OF OPERATION

Our facility runs the same 365 days a year. When our reception desk is closed to the public on Sunday's and major holidays, our internal routine never changes. Our kennel staff is dedicated to caring for our furry guests year-round. We are a hurricane-proof facility with 3 massive generators in case of power loss. We chose special AAON hospital-grade A/C units that provide 100% fresh air and are equipped with UV lights to help eliminate any airborne bacteria.

We have a kennel technician/property manager that lives on the premises for safety purposes. But please keep in mind that we are **not a 24-hour facility**. If your pet requires medical attention or supervision overnight, we would not be the ideal choice for boarding. In these cases, we recommend boarding at a 24-hour emergency hospital.

*We are closed: Memorial Day, 4<sup>th</sup> of July, Labor Day, Thanksgiving Day, Christmas Day, New Years, and Easter Sunday.*

### BOARDING CHECK IN/CHECK OUT HOURS:

There are 2 timeframes for boarding check-ins/outs. The **morning** window or **afternoon** window.

There are no check-ins or check-outs during nap time (12:00pm-2:00pm), so any time after 2:00pm.

- **We do not allow toys, treats, or bones to be left during nap time or overnight in the suite for safety reasons**

## Doggy Daycare

For clients dropping off for the day only – please call ahead to ensure we have space available for your pet. Daycare while boarding runs year-round but public daycare may be cancelled when we are fully booked with boarders.

Each pet must pass a one-time **Temperament Test** to determine which group they will be in. All daycare groups are separated by on **Size & Temperament** and groups are made daily by a Kennel Supervisor. All doggy daycare socialization is always done under the supervision of a trained staff member.

To prevent **Canine Bloat**, we wait between *30 minutes - 1 hour* with our medium/large breeds to provide water or food after exercise. The same applies after they have finished their meals. We allow enough time to ensure proper digestion before or after play times.

- **All dogs must be at least 16 weeks (4 months) of age to participate in Daycare.**
- **After 8 months of age, all pets must be neutered or spayed to continue participating.**
- **Females may not participate if they are currently in heat.**

---

## First Timer Doggy Daycare

For first time clients dropping off for the day, please call ahead to make a reservation for Doggy Daycare. Since some days are busier than others, we want to be sure to choose the best day for your pet's first visit and temperament test. If your pet does not pass the temperament test, there is no need to come back to pick-up your pet. If they don't pass, they will automatically be placed in Private Spa, which is one-on-one playtime with a staff member in the field and pool. Private Spa may require additional fees. For pet guests that are boarding overnight the first time they join doggy daycare, there is no need to call ahead.

**\* Temperament Test is done on the first day of Doggy Daycare. There is no need to schedule separately.**

## Emergency & Transfer Policy

Our main priority is the *health and safety* of our furry guests. We take all the necessary precautions to ensure each pet under our care is treated with the attention and love they deserve. Considering our many years of experience caring for pets since 2006, we understand that unforeseen emergencies are **not very common but can occur**. Our furry guests are a big part of your family and ours too! We know how important family is, so we want to be sure to have a proper plan of action in place for these rare cases.

For less serious medical situations, pets can be cared for at our on-site Animal Hospital. We will always use diligent effort to contact the pet's owner and emergency contacts before taking action, unless it is a time-sensitive situation. Since we are **not** an emergency 24-hour hospital; in the case of a life-threatening situation, the pet may need to be transferred to one of the closest 24-hour hospitals.

**LeadER Animal Specialty Hospital & Coral Springs Animal Hospital** are the two closest 24-hour emergency hospitals. In the rare event that your pet is transferred, you will be contacted by us with as much information as possible regarding your pet's health condition. If you are unreachable at the time of emergency (*i.e. on an airplane or out of the country*) Country Inn Pet Resort & Animal Hospital will make decisions on your pet's behalf. We will always make decisions to save your pet. We have no affiliation with these Emergency Hospitals. Therefore, once your pet is in their care, all communications will be done with the pet parent and the emergency hospital of choice. Please understand it is the pet owner's responsibility to assume all costs.

**LeadER Animal Specialty Hospital – (954) 437-9630**

**Coral Springs Animal Hospital – (954) 753-1800**
